LA MAGNIFIQUE™

The perfect
expression of
handcrafted
blended
Absinthe.

Hapsburg *La Magnifique* is the inspiration of the award winning Peter Fuss, a leading connoisseur of traditional Absinthes.

Made by hand from the acclaimed 2010 harvest, with Bleue Absinthes from the mountainous region of Val-de-Travers and small quantities of Absinthe from the South of France, *La Magnifique* is an ultra premium blended Absinthe of unquestionable character and complexity.

La Magnifique is destined to be part of the true Absintheurs collection.

MAMONT

VODKA

Inspired by the discovery of the Yukagir mammoth, Mamont is a super premium Siberian vodka.

The Altai Mountain springs supply the water, which is renowned throughout Russia for its purity. Mamont first selects the finest Siberian white winter wheat and conducts a carefully controlled fermentation to produce an exceptional alcohol. The spirit is then, distilled six times. A small proportion of cedar nut spirit is added to the liquid before being carefully filtered through silver birch charcoal. Discover your spirit of adventure.

THOROUGHLY IRISH WHISKEY

Many a story and many a song have been shared over a glass of whiskey.
Friends come together, a bodhran quickens the pace,
lyrics flow, time stands still.

The Pogues Irish Whiskey lets tradition play on. Crafted in small batches,
using only Irish barley and spring water, it has a deliciously smooth taste
that's bold and brave. It's everything you'd expect when a rebellious band joins
forces with one of Ireland's most innovative independent distilleries.

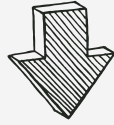

So, raise to the sky. Drink it in.

The Pogues Irish Whiskey.
As distinct as its drinkers.

SILENTPOOLDISTILLERS.COM

Gin made the way it used to be, the way it should be.

In 2009 we launched the first copper distillery in London for nearly 200 years, on a mission to bring the art of beautifully hand crafted gin back to the capital where it all began. It was to mark the beginning of a gin renaissance in London.

We hand craft our gin in small batches with skill, care and love. Only ever taking the heart of the spirit, and never made from concentrate, this is gin made the way it used to be, the way it should be. The result is stunningly smooth, full of character and exploding with flavour.

THE CHOICE IS CLEAR

PORTOBELLO ROAD GIN

Portobello Road Gin is a timeless London Dry, eschewing the trend for ever more esoteric ingredients to instead salute London distillers of the past. Contrived from a blend of nine completely natural & classic botanicals, Portobello yields a depth of flavour and character to suit all occasions and libations. It is, as one might say, a capital bracer.

BLACK COW VODKA

Black Cow is the world's smoothest vodka, made purely from the milk of grass-grazed cows and nothing else. Fresh whole milk makes an exceptionally smooth vodka with a unique creamy character. Black Cow is the invention of West Dorset dairy farmer Jason Barber. His inspiration came from a desire to diversify the produce from his 250 strong dairy herd and his deep personal interest in vodka.

EL JIMADOR

In honour of the man who with pride, determination and courage, has mastered the art of selecting and harvesting the best blue agaves, we name our tequila: el Jimador. el Jimador is a 100% blue agave tequila, is naturally fermented and produced at the last true tequila producing hacienda on the planet.

METAXA®

METAXA 12 STARS

METAXA 12 Stars is the superior expression of the METAXA Stars Range. It embraces precious wine distillates, aged patiently in French Limousin oak casks, and exquisite Muscat wines exclusively from the Aegean island of Samos, where grapes grow on garden-sized, terrace vineyards and are picked only by hand. A secret bouquet of May roses and Mediterranean herbs tops off this blend, created by Metaxa Master Costas Raptis. METAXA 12 Stars is extraordinarily complex in aromas and rewarding on the palate, with elegant notes of toffee, chocolate and orange peel.

METAXA PRIVATE RESERVE

Metaxa Private Reserve is Constantinos Raptis' very first own creation, when he was named 5th Metaxa Master, in 1992. Once a year, Constantinos keeps skilfully bringing together special blends of aged grape distillates and Muscat wines from Samos, releasing a unique batch Private Reserve.

METAXA ANGEL'S TREASURE

Metaxa Angel's treasure is a rare Gem that has been unearthed from the dark Cellars of the House of Metaxa.

MOUNT GAY®

Est. 1703 Barbados Rum

Ψ | TIME WELL SPENT

Every great story begins with a time and a place.

A legal deed dated from 1703 confirms the existence of a "pot still house" on our sugar cane Estate in Barbados, establishing us as the World's oldest rum producer. Perpetuating a long-standing Barbadian tradition for more than 310 years, Mount Gay rums are handcrafted from a blend of single column and double copper pot distillates and matured in toasted oak barrels, delivering aromatic, flavourful taste, body and refined character.

Eclipse is the benchmark for character, body and aroma by which our Master Blender Allen Smith uses to blend every variety of MOUNT GAY rums. For many rum aficionados, Eclipse is also the reference by which all rum should be measured. Eclipse has a brilliant golden amber colour and a luxuriously complex aroma, composed of some distinctive floral and fruity notes with hints of vanilla.

The latest from Master Blender Allen Smith, Black Barrel is a small batch, handcrafted blend. The blended rum is then matured for a second time in deeply charred Bourbon oak barrels. This unique process releases complex notes of spice, toasted wood, sweet caramel, candied fruits and hints of smoke, that are all at once balanced and bold.

An opulent blend of the finest spirits aged for 8 to 15 years. XO blends significantly older barrels of mainly double pot still distillates that have rounded these crisper notes into a subtler balance: ripe banana and toast, followed by vanilla, pastry, candied fruits and warm spice.

Mount Gay releases an annual limited edition of its rarest rum, the 1703 Master Select. For its latest incarnation, the 2017 release, Master blender Allen Smith hand selected 55 of the most precious reserves casks. It is a limited release of 12000 hand labelled bottles. Its elusive, complex character of spice and toast finishes in oaky and caramel notes. The 1703 Master Select 2017 release, features a blend of copper column and copper pot distillates, ranging from 10 to 30 years old.

AWARD-WINNING BOTTLED ALES

1698

6.5% ABV

An intense yet uniquely intricate offering, twice-hopped during the brewing process. This adds rich resinous notes and spikes of citrus to a moreish strong ale already rife with notes of squire, Marsala wine, caramel and spicy orange. A frisson of dark fruit freshens the finish.

INDIA PALE ALE

6.1% ABV

A glorious showcase of the distinct, heavily hopped beers for which Shepherd Neame is famed, India Pale Ale delivers potent bitterness, offset with generous amounts of pale ale malt to deliver a balanced, yet uncompromising brew.

DOUBLE STOUT

5.2% ABV

This black, creamy brew has a velvety-smooth palate of dry, burnt flavours, complemented by roast, cocoa and coffee notes.

SPITFIRE AMBER

4.5% ABV

This blood-orange tinted bitter is Shepherd Neame's biggest-selling cask conditioned ale, and one of the best-selling in the UK. It is brewed with aromatic Kentish hops East Kent Goldings and First Gold, with Admiral or Target hops added for bittering.

SPITFIRE GOLD

4.2% ABV

Spitfire Gold's sweet malt base is built upon with tropical fruit and pine aromas inspired by some of the most popular hops of the moment, including Challenger, Centennial and Sazer.

BISHOP'S FINGER

5.4% ABV

A traditional Kentish strong ale, full of body and character, named after an ancient Kentish signpost pointing to Canterbury. It combines rich toffee and dark fruit malt aromas with a peppery, bitter hop finish.

WHITSTABLE BAY PALE ALE*

4.0% ABV

Offering a refreshing, zesty flavour, this thirst quenching beer is brewed with Challenger and Styrian Goldings hops. The sweet maltiness balances perfectly with the fresh pine aroma.

*Also available in keg (3.9% ABV)

INTRODUCING ACQUA PANNA & S.PELLEGRINO

Acqua Panna & S.Pellegrino are natural mineral waters from Italy.

Thanks to their extraordinary taste they are appreciated by chefs and sommeliers from all over the world.

ACQUA PANNA

Is a still natural mineral water from Tuscany and has a velvety and soft taste. Thanks to its light mineral content it is perfect to match with delicate flavours.

WINE MATCHES

Simple wines that have a light and smooth tone such as fresh, fruity, white and sparkling wines.

FOOD MATCHES

Dishes that are simple and natural and dominated by salty, sour or oily flavours.

S.PELLEGRINO

Is a sparkling natural mineral water from the Italian Alps. Rich minerals and natural CO2 fine bubbles makes it very pleasant and balanced. It matches very well with intense flavours.

WINE MATCHES

Medium to full bodied, well structured and complex & lasting. Red, full bodied white and aperitif wines.

FOOD MATCHES

Intense, evolving, powerfully flavoured dishes. Loves rich food, like beef or mature cheese.

Acqua Panna

HERITAGE

The Panna Estate was first registered in 1564 by the Medici family, the rulers of Florence during Renaissance times.

SOURCE

Acqua Panna emerges from a spring situated 900 metres above sea level in a reserve of 1300 hectares in the Tuscan Apennines about 25km from Florence. Its journey underground is about 15 years long.

S.Pellegrino

HERITAGE

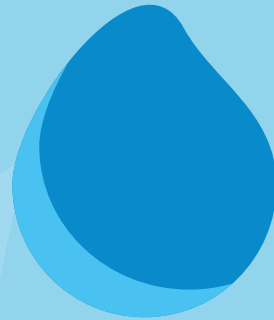

First bottled in 1899, it was shipped to the best tables all over the world. Nowadays it is an icon of Italian lifestyle in over 120 countries.

SOURCE

San Pellegrino Terme, in the Northern Italian Alps, about 70km from Milan. Thermal water springs at source at a temperature of 24.5°C after 30 years of underground journey.
